

MSC Senate - MSU Central Board Joint Meeting Minutes
October 29, 1961

The meeting was called to order by Central Board President Denis Adams in the Silver Bow room of the Lodge in Missoula. Adams introduced the officers of the two groups. Each delegate was asked to introduce himself and give the respective position he held on the student government body.

Adams said the present form of resolutions had been followed for the past two years. Adams read each resolution with discussion following. "We, the Student Senate of Montana State College and the Central Board of Montana State University, have adopted the following resolutions:

1. Both governing bodies support statements made by the Deans's offices concerning defacement of campuses before the MSC-MSU games. This statement is: Parties guilty of defacing or destroying property on either of the two campuses would be held responsible financially for any damage resulting from raids, and will be suspended for one quarter." STEVE CARROLL MOVED TO ACCEPT THIS RESOLUTION. SECONDED BY JOHN HOLDEN. MOTION PASSED UNANIMOUSLY.

2. That the opponents goal posts shall be the property of the victor, with no resistance given by the opposing side." E.L. Hanson suggested this be limited to one of the opponents goal posts. HAMLIN MOVED TO ACCEPT THE RESOLUTION WITH THE INSERTION OF "ONE OF" AFTER "THAT". SECONDED BY COLE. MOTION PASSED UNANIMOUSLY

3. That the losing student body president's pants shall be the property of the victorious side at the completion of the football game. Each president shall prepare himself with shorts in the opposing side's school colors." Carlson's suggestion of dropping this resolution after this year as it was not that interesting was met with hearty disapproval. MOSSEY MOVED TO ACCEPT THE RESOLUTION. SECONDED BY BERTELSON. MOTION PASSED WITH CARLSON ABSTAINING.

4. That the host student governing body shall arrange specific activities for the guest student governing body prior to and following the MSC-MSU football game." Adams suggested arrangements should be made for seating during the game also. Carroll said transportation should be provided from the train and that a specific meeting place should be made. Richardson said MSC would make arrangements for transportation and said there is a possibility of switching the train to a Milwaukee track that would take the train near the campus. Richardson suggested that the meeting place be designated each year through the presidents' communications. There was some discussion on the needlessness of an after game reception as the luncheon, game, and mixer for the entire student body seemed sufficient. Browman suggested the host school provide tickets for sale to the students. Carlson said that although the governing bodies had a reserve section, there were not enough seats for the

student bodies. Richardson said 900 general admission seats were reserved for students this year and a separate gate would be used for easy access to the seats. CARROLL MOVED TO ACCEPT THE RESOLUTION AND ADD "AND THAT THE HOST STUDENT GOVERNING BODY ARRANGE JOINT SEATING AT THE GAME". SECONDED BY BROWMAN. MOTION PASSED UNANIMOUSLY.

5. That the student governing bodies of Montana State College and Montana State University jointly meet each year, at least two weeks prior to the football game, to draw up a similar list of resolutions. The guests of the MSC-MSU football game shall be the host of this joint meeting. HAMLIN MOVED TO ACCEPT THE RESOLUTION. SECONDED BY MOSSEY. MOTION PASSES UNANIMOUSLY.

6. That having been approved by the student governing bodies, these resolutions shall be binding until they are revised at an annual joint meeting of both student governing bodies." CARLSON MOVED TO ACCEPT THE RESOLUTION. SECONDED BY BERTELSON. MOTION PASSED UNANIMOUSLY.

7. That the approved resolutions prepared by the joint student governing bodies be published in the respective school newspapers, and be posted for one week prior to the game." Browman asked what was meant by posted. Carlson said it meant having it distributed through minutes and Richardson said by having it on the student bulletin board. MOSSEY MOVED TO ACCEPT THE RESOLUTION. SECONDED BY HAMLIN. MOTION PASSED UNANIMOUSLY.

Carroll suggested a resolution should be made concerning proper handling of trophies and particularly the "Treasure Chest". Richardson suggested it follow the third resolution. Holden said this was a project started by the Fangs and Bearpaws and should be left in their hands. Browman suggested a specific resolution be made as past trophies did not continue as they had been set up to do. Carlson asked which groups gave funds for the "Treasure Chest". Browman and Holden explained that the Bearpaws gave \$65 and the Fangs gave \$65. No Senate or Central Board funds were obtained. It was explained that the "Treasure Chest" was presented by the host honorary and went back with the winning team. WHITELAW MOVED TO INSERT THE FOLLOWING RESOLUTION AS NO. 4 AND RENUMBER THE SUCCEEDING RESOLUTIONS. THAT THE "TREASURE CHEST" BE A PERMANENT TRAVELING TROPHY WITH THE FANGS AND BEARPAWS HANDLING PRESENTATION ARRANGEMENTS. SECONDED BY BERTELSON. MOTION PASSED UNANIMOUSLY.

Adams suggested a resolution might be needed for the intermural or inter-fraternity games. Holden said an IFC champion had not been named, but a game could be arranged. Haarr said it had originated between the fraternities and suggested leaving it with them. Richardson said the understating would be that it was an IFC game and not an intermural game.

Haarr asked what actions and penalties would be taken on violators of the resolutions. E.L. Hanson said the administrations would enforce severe disciplinary action. Richardson said half the battle was in the publicity and that it was very difficult to administer disciplinary measures.

CARROLL MOVED THAT THE MEETING BE ADJOURNED. SECONDED BY HAMLIN. Richardson expressed thanks to Central Board for the meeting and opportunity to get acquainted. Hansen welcomed MSU to MSC on behalf of the MSC administration and hoped that Adams had a nice pair of shorts. THE MEETING WAS ADJOURNED. Coffee and doughnuts were served.
